Indians are proud to say India's T-Series YouTube channel is the number 1 YouTube channel in the world

The YouTube Partner Program creator base is now more than 2 million strong, and YouTube says there are more than 40,000 channels on the platform in India that have more than 100,000 subscribers

Super Cassettes Industries Private Limited, doing business as T-Series, is an Indian music record label and film production company founded by Gulshan Kumar on 11 July 1983. It is primarily known for Hindi film soundtracks and Indi-pop music. As of 2014, T-Series is India's largest music record label, with up to a 35% share of the Indian music market, followed by Sony Music India and Zee Music. T-Series also owns and operates the most-viewed and the most-subscribed YouTube channel, with over 248 million subscribers and 231 billion total views as of 31 August 2023. While best known as a music label, T-Series has also had some moderate success as a film production company.

James Stephen Donaldson (born May 7, 1998), known professionally as MrBeast (or Jimmy Donaldson), is an American YouTuber, entrepreneur and philanthropist. He is credited with pioneering a genre of YouTube videos that centers on expensive stunts and challenges. With over 180 million subscribers as of August 31, 2023, he is the most-subscribed individual user on the platform and the second-most-subscribed channel overall, and has ranked on the Forbes list for the highest paid YouTube creator in 2022.

Cocomelon (stylized as CoComelon) is an American YouTube channel acquired by the British company Moonbug Entertainment and maintained by the American company Treasure Studio. Cocomelon specializes in 3D animation videos of both traditional nursery rhymes and their own original children's songs.

No. See, MrBeast is a philanthropist who is also rich. He's given away millions in cars, houses, and he even helped 1000 people see again in his latest video. He started Team Trees and Team Seas to deal with air and water pollution, and even gave away an entire island.

Cocomelon has captured the hearts and attention of children around the world. Some parents swear by the program's benefits. Some believe it harmless. And some avoid it like the plague. But while opinions on Cocomelon remain divided, scientific studies have uncovered some answers on screen time in general

People watch Youtubers because they feel like they know them, even if they only know them through their videos. Youtubers are often relatable and down-to-earth and this is part of what makes them so popular.

Youtubers are often very creative with the content they create and this can be seen in the variety of videos that are uploaded to YouTube each day. Youtubers also have a lot of freedom to be creative with their videos, which is another reason why they are so popular.

If you also are obsessed with Youtube and want to become a Youtuber, there are a few things that you need to do. Firstly, you need to create your Youtube channel, create content and upload it to YouTube. You can make videos about anything that you're interested in or passionate about.
